

FIELD DYNAMICS

CONTEMPORARY HEALING ARTS

Keith Philip Parker

keith@fielddynamicshealing.com

www.fielddynamicshealing.com

Summary:

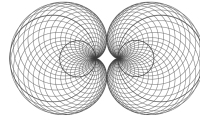

Keith Parker embodies a personal and professional evolution from traditional meditation and yoga to various forms of somatic therapy, especially craniosacral work. His engagement with the healing arts led to the development of an innovative energy healing modality, Field Dynamics. An adept healing facilitator and teacher Keith has taught and shared his work across the globe. Synthesizing his experiences with the healing arts and self-realization, Keith is a compassionate guide to the profound simplicity of the present moment.
